SUSQUEHANNA • UNIVERSITY
Selinsgrove, Pennsylvania

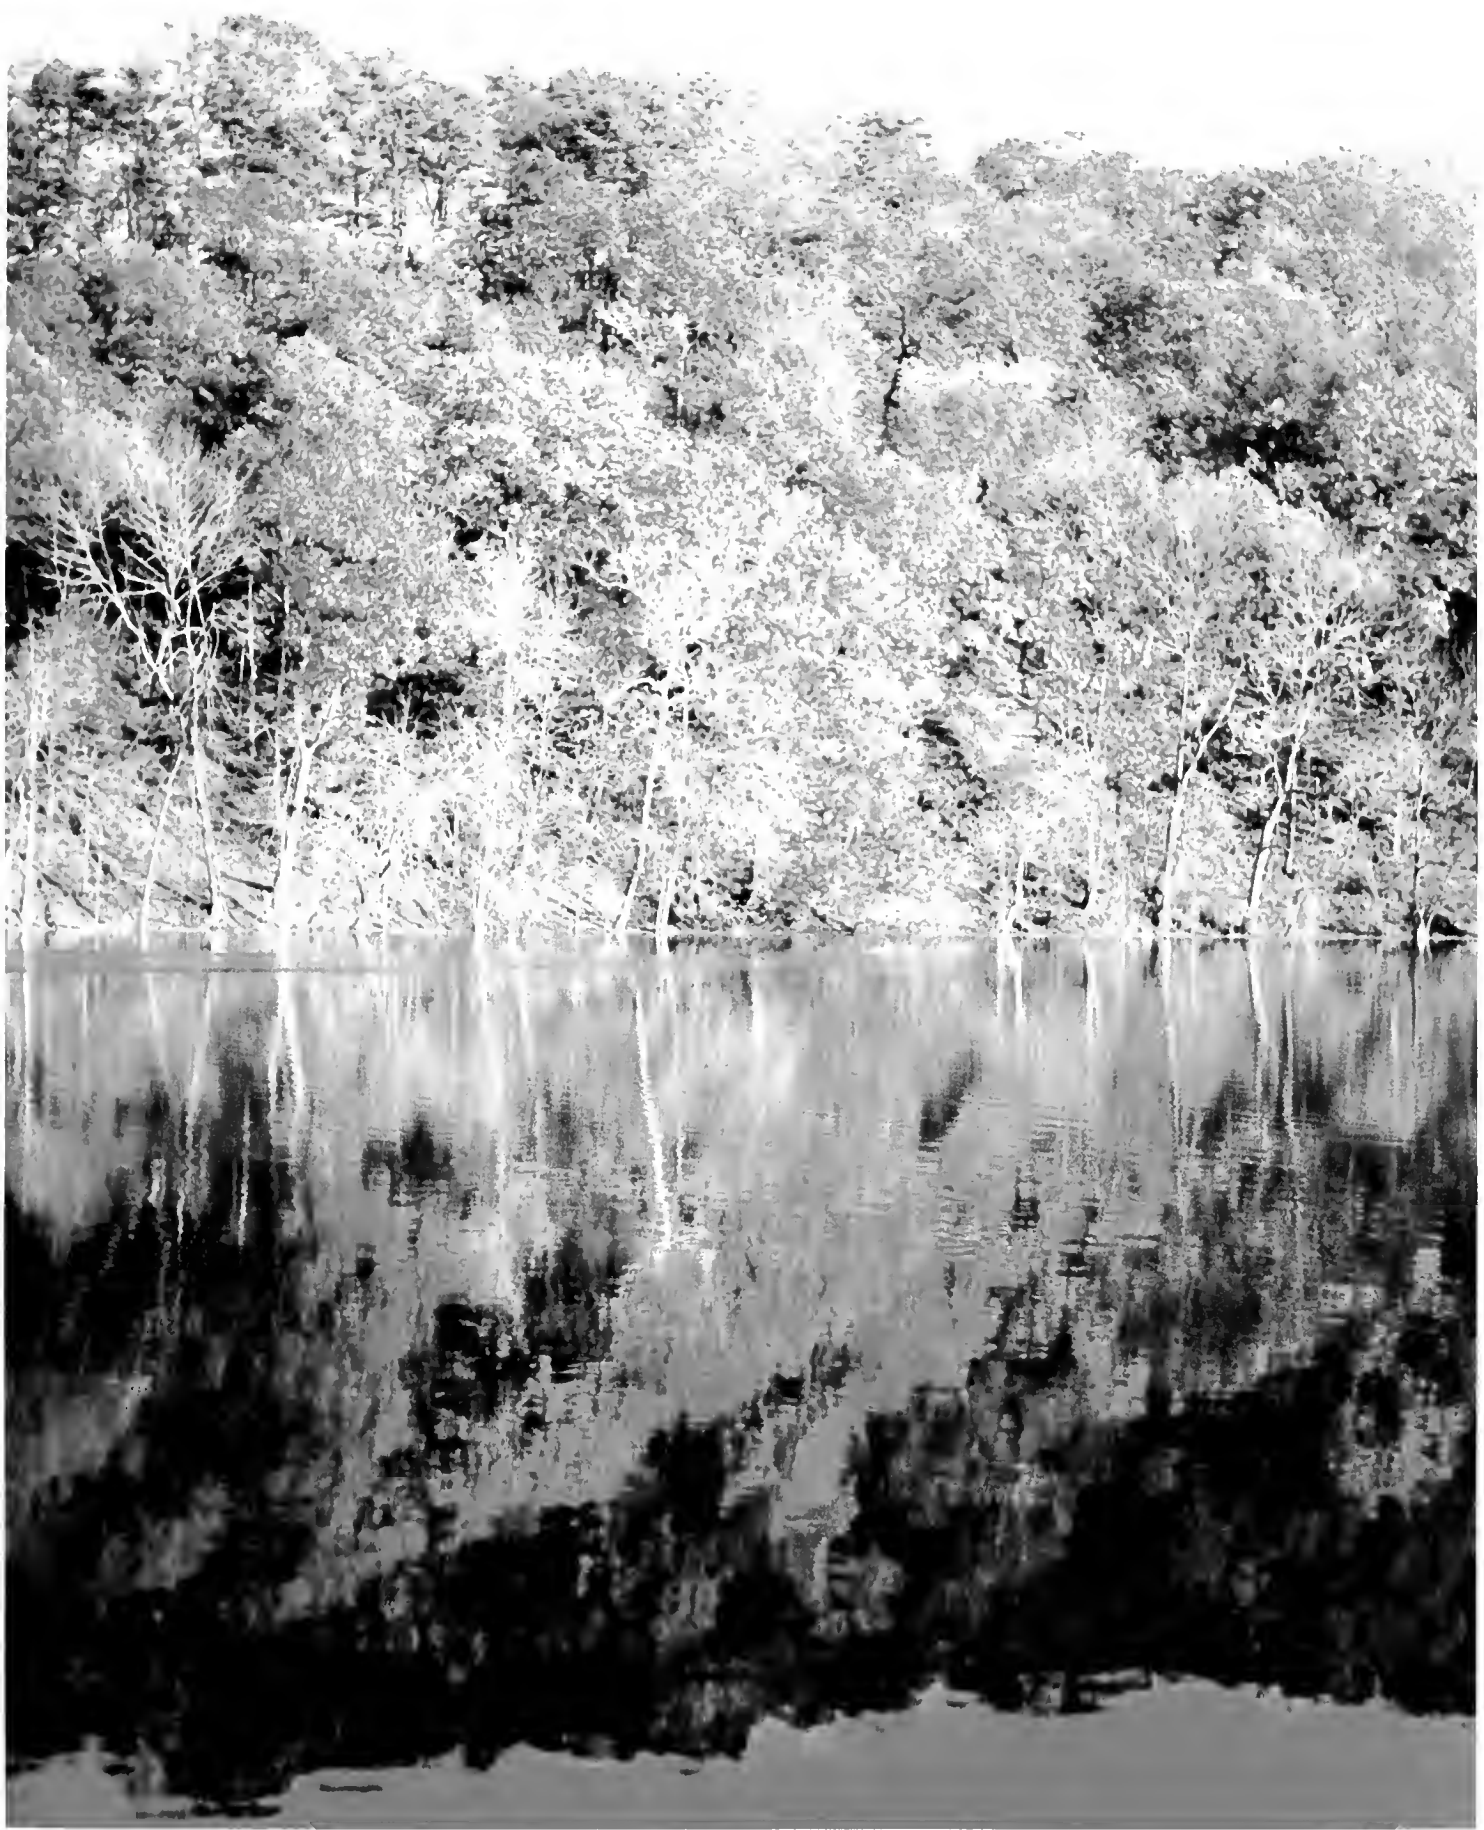

Where does the time go? Susquehanna University students often seem to pose this question at one time or another during their collegiate experience. Freshmen become seniors in what seems to be a very short four years, and in that time acquire skills necessary to prepare for life beyond SU. From choosing the perfect formal date to choosing the perfect career, students learn to make the best decisions they can and budget their time to fit their diverse schedules. These responsibilities are also accompanied by good times with close friends, and the laughter and fun of today soon become fond memories. College does seem to pass quickly, and this is the time to make the most of it.

This is the
Time

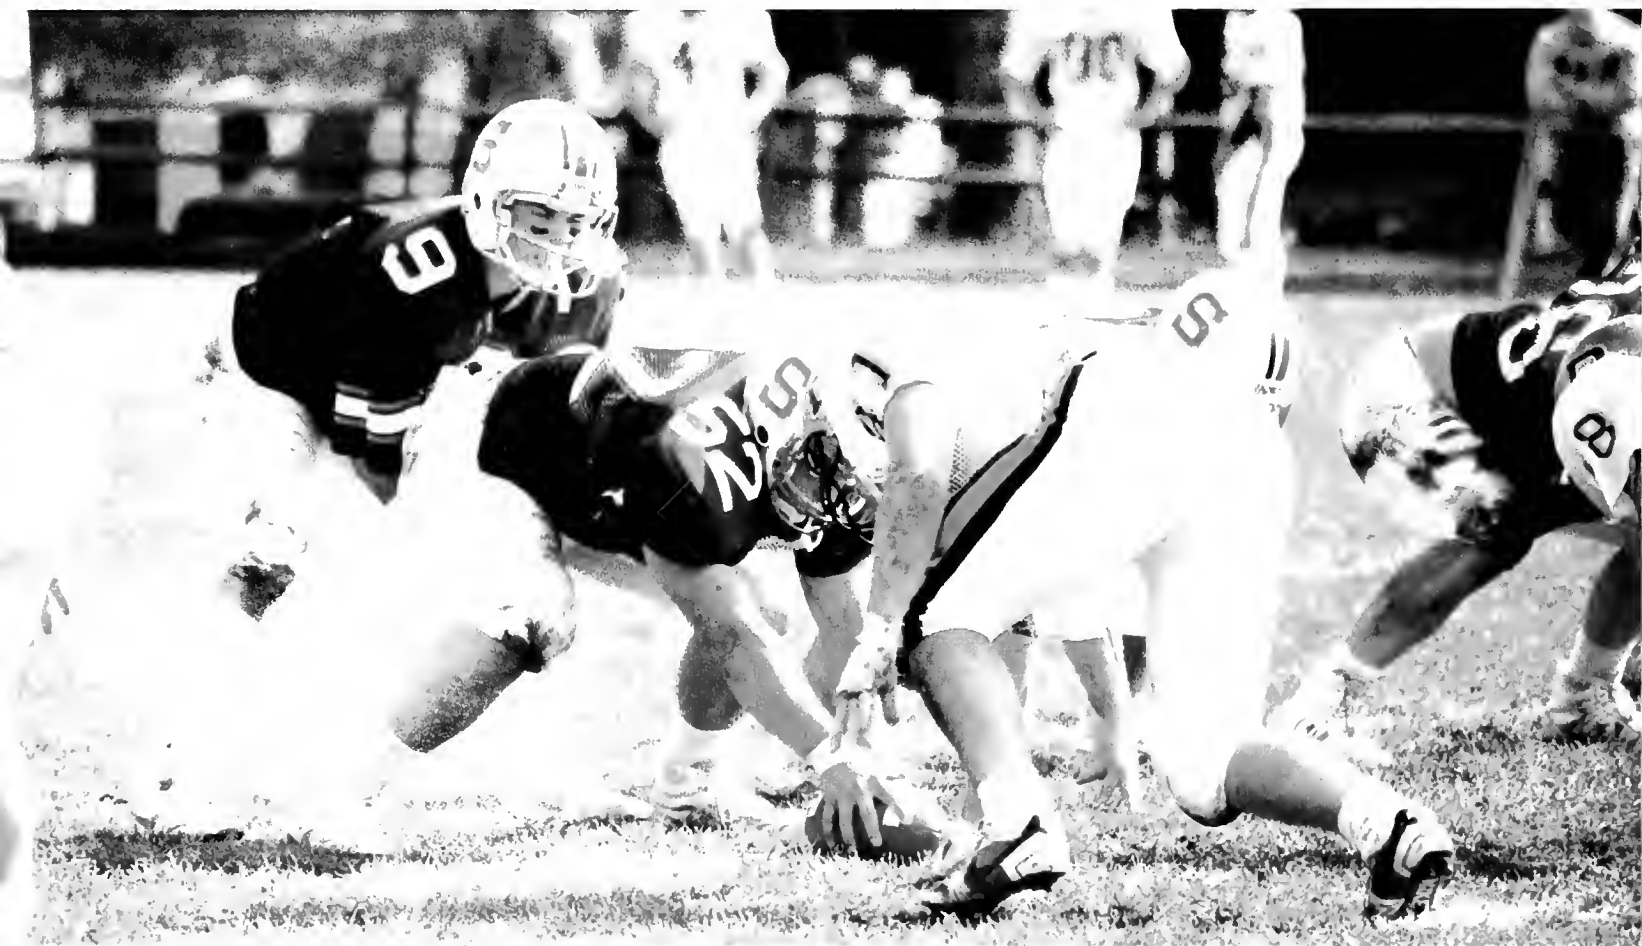

This is the time
to remember,

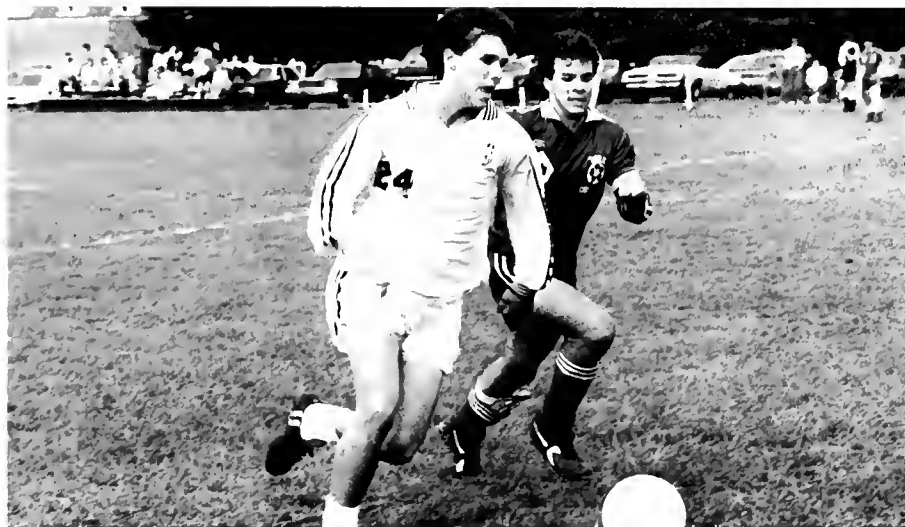

Because it
will not last
forever,

These are the
days
to hold onto,

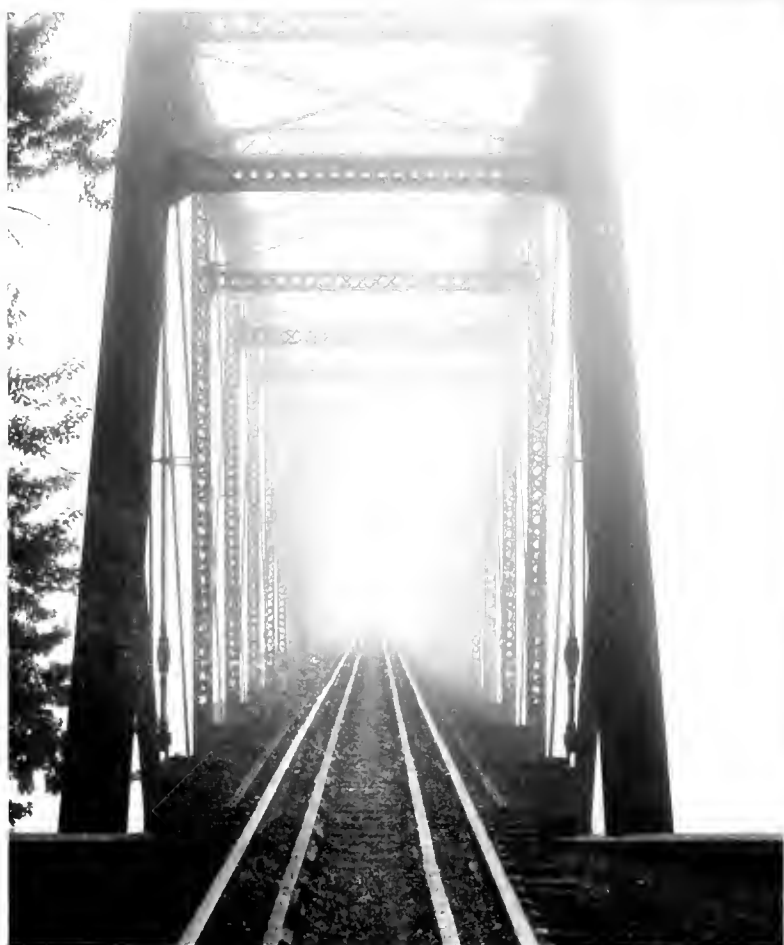

Because we won't
although we'll want to.

This is the time.

NARY RECEIVES DEDICATION

The student body of Susquehanna University proudly dedicates the 1987-88 edition of the Lanthorn to Dr. Bruce L. Nary ("that's 'N' as in 'Nancy,' 'a,' 'r,' 'y,'" as he often tells his students).

A native of Biglerville, PA, Dr. Nary received his B.S. degree from Ithaca College (NY) and his M.A. and Ph.D., with a major in Theatre, from the University of Michigan. He is married to the former Dorla Bushnell of Newark Valley, NY. Dorla says that Dr. Nary would not marry her until he received his master's degree, but it was she who typed all of his doctorate work! A former school teacher, Dorla holds music degrees from Syracuse University and Northwestern University.

Before arriving at Susquehanna in 1960, Dr. Nary taught at Margaretville Central School (NY) and at the University of Michigan. Currently, he teaches various theatre, acting, and directing courses at S.U. He also directs the winter theatre production each year in Benjamin Apple Theatre and chose Shakespeare's *A Midsummer Night's Dream* to perform this year.

He is a member of the Speech Association of America, the American Educational Theatre Association, Theta Alpha Phi, and is a veteran of the U.S. Army Air Corps. He has played an active role in the Susquehanna Summer Study at Oxford program and has served as the president of the Theatre Association of Pennsylvania (TAP).

Dr. Nary's philosophy, as he often tells his actors, is "Don't complain, don't explain. Just do it." Thank you, Bruce Nary, for sharing your love of theatre with the students of Susquehanna.

Never had anyone so correct an estimate of life but that circumstances, time, and experience ever bring him something new and ever instruct him.

The Brothers of Phi Sigma Kappa have worked extremely hard this year to promote the fraternity's image! Many goals were set at the beginning of the year, and most have been accomplished. We will continue to strive for excellence in the future!

Many of the Brothers were involved in the alternative education project. This project is an outreach to the local community in which students of S.U. helped tutor local high school students who experienced problems with classes. Our advisor for the project is Karl Krauss who is a Phi Sig alumni, and has also helped us within the organization.

Brothers were also, once again, involved with collecting food for the needy during Thanksgiving.

The biggest accomplishment of all was the welcoming in of 16 new members who will keep this fraternity flourishing for years to come.

Cross Country

The Susquehanna Boys' Cross Country Team finished this fall with one point short of an undefeated season. Their record was 9-1, due only to their loss to Gettysburg. Mike Burton was the most outstanding of the Crusaders. He is an All-Academic Student as well as an excellent runner. Coach Stan Seiple has completed another season bringing his personal record to 81-7. Several freshmen also contributed to this year's successful season, paving the road to the future.

Finishing with a 5-7 record may seem a bit weak considering last year's tremendous season, but the Lady Crusaders were led by mostly freshmen and sophomores. This gives them a strong background for future seasons. Senior co-captain Sue Bailey (Macungie, PA) led the squad with aggression. Connie Delbaugh has been the coach for twelve years and can't wait for the next year to begin. The Field Hockey Team has a bright future.

The Susquehanna Football Team did a terrific job, despite a tough loss to Lycoming by one point. The final record was 8-2, with good victories versus Juniata and Albright. It was extremely disappointing when senior quarterback Todd Coolidge (Wellsboro, PA) broke his ankle in the last seconds in the game versus Widener, but once again SU reached the Middle-Atlantic Conference Crown, tied with Widner. To cite only a few of the many records set this year, Al Bucci (Claymont, Del.) set every receiving record this season. He had 57 receptions for 893 yards. Pete Stoma (Lyndhurst, NJ) was declared Honorable Mention on the 1987 Pizza Hut Division III All-American Football Team. Earning spots on the first team were defensive lineman Damian Caracciolo (Altoona, PA), defensive end Rich Close (Wyomissing, PA), offensive lineman John Hopkins (Wellsboro, PA), fullback Cosmo Iacavazzi (Belle Meade, NJ), and defensive back Clayton Smith (Norristown, PA). Coach Rocky Rees is quoted as saying "the coaches were extremely pleased that some of the players were even recognized as being some of the best in the country."

Laurie has led the lady Crusaders in total points per game with 23, and she had the second highest field goal percentage with 45.5. Trish Ross (Hazelton, PA) leads the team with 46.9%. Trish also leads in average points per game with 12.2, and in defensive rebounds with 89. Andrea Heinz led in offensive rebounds with 48. Although three point shooting is not all that common in women's basketball, Kay Czap (senior from Southern Williamsport, PA) leads with 12 and a percentage of 24.5. New coach Mark Hribar should be extremely happy with these results as they stand.

The Crusaders have improved much over last year due mainly to the large number of freshmen and sophomores whom have started this season. Nathan Jones (Roslyn Heights, NY) has added stability to the team along with Dave Park (Burlington, NJ). These are two freshmen at 118 and 126 pounds respectively. Nathan had the fourth best record at 7-7-1. Senior Chris Labrecque (Holmdel, NJ) and junior Joe Lawrence placed second in the Lebanon Valley tournament in which Susquehanna placed 8 of 20 overall. Chris also sported the best overall record, as Susquehanna's captain, at 19-2 before entering the MAC tournament. Earlier this year, Susquehanna student Juliet Gibson passed away due to head injuries she received after a fall on campus. Juliet was a member of the class of 1989, a writer for *The Crusader* and *Focus* literary magazine, a member of the University Judiciary Board, as well as a member of both the Arts Alive and Big/Little Sisters projects.

Susquehanna University has been deeply saddened by this tragedy. Juliet is missed.

Time it was,
 And what a time it was,
 It was a time of innocence,
 A time of confidences.
 Long ago it must be,
 I have a photograph,
 Preserve your memories,
 They're all that's left you.
